

LATERAL REHABILITATION ASSISTANCE PROGRAM APPLICATION

The City Council of the City of Prattville has recently established to Lateral Rehabilitation Assistance Program, (“LRAP”), to assist residents in the corporate limits of the City of Prattville who have deteriorated sewer laterals in the replacement of such. For the full text of the applicable ordinances, please see the City of Prattville Code of Ordinances, Chapter 117 –Stormwater Regulations, Article I. –Erosion and Sedimentation Control, Division 1.—Generally, Sections 117-21 and 117-22.

In light of these ordinances, if your property has been determined to have a deteriorated sewer lateral, it is required to be replaced. This can be accomplished by either (1) having the private sewer lateral replaced in full at the owner’s expense, or (2) participating in the LRAP program to assist with the replacement of the private sewer lateral.

If you have been notified by the Department of Public Works that you have a deteriorated sewer lateral and if you wish to participate in this program, please complete this application and return it to the Department of Public Works by mail at 101 W. Main Street or in person at 530 Doster Road, Prattville, AL 36067. If your application is accepted, you will be provided a contract to complete and sign for the terms and conditions of the LRAP program.
